The Mission Expands

This has been a very busy and productive year. From scholarships to micro-businesses to construction, Joining Hearts and Hands has been engaging Kenya and Tanzania in all aspects of our mission. This year Joining Hearts and Hands completed another 3 classroom block at Usambara Girls’ School in Tanzania, completing the library collection, shelving and artwork at the Lufumbo Library complex and is now providing jobs for our scholarship graduates. The key to our work is not to simply hand out donations, but to provide opportunities for self-sustainability. Please check our website for details!

Please Give Today!

Our tradition is to give gifts on special occasions to let others know we love them and that we are thinking about them. Many times the gift is not needed, but simply a sign of our love. Why not give a gift in the name of your loved one or friend. **What better way to express your love than to help save a child in Africa!!**
